To Whom It May Concern,

Please accept this letter on behalf of the Hancock County Prosecutor's Victim Assistance Program as an expression of my appreciation for VSTracking.com.

VSTracking.com is a time saving, VOCA compliant, easy to use program that has become such a positive addition to my daily statistic keeping process. Handwritten information sheets, rolodexes, and hand counting stats have become a thing of the past. Reporting has never been easier.

I also appreciate the quick response from the VSTracking team to any email or telephone call. Ideas are listened to and any problem, which are minimal, are addressed in a timely manner.

Now that I have been using VSTracking.com for more than a year, I am now able to spend more time with victims themselves. And that is what I am here for. I cannot thank VSTracking.com enough.

Sincerely,

Ann Sonnett
